Broward County Building Officials Association

2018 Annual Charity Golf Tournament

In support of:

*BCBO College Scholarship Program
&
Building Code Enforcement Training Program
for the Next Generation of Inspectors*

The Broward County Building Officials Association will be the first in the nation to start a college level training program for the next generation of inspectors. The Association feels that this pilot program will be the answer to those that say there is a shortage of inspectors, it takes too long for reviews and there is no consistency between inspectors.

It is time for you to be part of the solution. This year our 9th Annual Charity Golf Tournament besides raising funds to for our scholarship program to aid deserving college students will also help to fund our pilot training program. We are teaming with Atlantic Vocational Technical College to start the first group through the process.

To meet our goals we need foursomes, sponsors, items for our goody bag and auction as well hole sponsors to make this endeavor a reality.

For more information contact Steve Pizzillo at bcbogolf@gmail.com or 954-394-3381. Or fill out the included application and mail to BOIEA at 17374 South Glades Drive, NMB Florida 33162

Thank your for your continued support
